

China 8.76mm Clear Tempered Laminated Glass Factory

About 8.76mm Colorless [Tempered Laminated Glass](#) 8.76mm Clear Tempered Laminated Glass is made up of two pieces 4mm clear toughened glass permanently bonded together with 0.76mm PVB interlayer via a controlled, highly pressurized and industrial heating process. The lamination process results in the glass panels holding together in the event of breakage, reducing the risk of harm. Laminated Glass is classified as Grade A Safety Glass.

8.76mm Clear Tempered Laminated Glass Characteristic

High Security When [laminated glass](#) is attacked by outside force, it hard to be penetrated because PVB film has strong tenacity and can absorb and weaken a mass of striking energy. Even if it's broken, the splinters will stick to the interlayer and not scatter.

Sound Insulation PVB film is a kind of organic material and it can block sound waves. Therefore, the laminated safety glass offers better sound insulation performance than the pure glass with the same

thickness.

Create aesthetic sense to building Laminated glass will beautify the buildings and harmonize their appearances with surrounding views which meet the demand of architects.

8.76mm Transparent Tempered Laminated Glass Specification

Composition: Made up with two pieces 4mm [clear tempered glass](#) with two layers clear PVB

Size: max 3000*8000mm, mini 150*300mm, any customized size could be produced Polish edges, drill holes, cut safety corners, cut notches, cutouts, all the processing could be done, but need to finish before tempering.

Security Quality Standard For Laminated Glass

In accordance with GB15763.3, Chinese standard

In accordance with EN12543, European standard

In accordance with ANSIZ97.1, American standard

In accordance with AS/NZS2208, Australian standard

8.76mm Safety Laminated Glass Common Application:

Glass balustrade, railing, balcony, stair handrail

Glass office partiton wall, storefront, shopping mall pillars

Exterior skylight, roof, canopy, long corridor

KXG laminated glass production line
